

**REAL ESTATE**

MR REAL ESTATE is a young and dynamic agency that offers a wide range of services related to the real estate sector in collaboration with several professionals. Not the simple search for a property that meets the customer's needs, but the analysis, evaluation, choice and management towards the finalization of the buying and selling process.

## OUR SERVICES

Real estate feasibility analysis with the collaboration of technicians such as architects and surveyors

Legal, notary and tax advice in collaboration with qualified professionals

Qualified financial, credit and insurance consultancy

Professional photo session for the enhancement of the property.

Videos made with drones and three-dimensional scans (link to Virtual Tour section)

### VIRTUAL TOUR

MR Real Estate is the only agency on Lake Maggiore to offer a three-dimensional mapping service of the properties with Matterport 3D, a system that allows you to visit a small and large property from the comfort of your home.

### RENDERING

With Interior Design experts, we create multimedia displays that make properties on the market more attractive by enhancing the aesthetic aspect and suggesting furnishing ideas for future owners.

### HOME STAGING

Interior design and furniture projects can be rendered to allow interested buyers to see, not just imagine, the potential of the future home.
